OHPP Officer Elections

During today's meeting on 10/01, we will be beginning the nomination process for OHPP Officer elections. The positions open are as follows:

- Chair (PNC Rep)
- Vice Chair (PNC Alt Rep)
- Treasurer
- Secretary
- Public Relations

In order to run/qualify for nomination, nominees must be an active member of the OHPP and appear to give a short elevator pitch about their qualifications.

Issue 3

In the upcoming November 3rd election, there is a state constitutional amendment requiring photo ID verification for both in-person and absentee voters. This amendment would allow for an alternative identity verification measure for those with religious objection to providing photo ID.

Currently, there are similar measures in place through state law rather than a constitutional amendment, which would make things much harder to change in the future if the state wanted to make requirements more lenient for voters.

Well Off With a Shot of Velloff!

Our very own Michael Velloff has made the ballot for the 2026 D5 Congressional race! His agenda includes big steps towards bail reform and pro-choice policy, as well as moving all of Fort Knox's gold to his basement (we've been shown that he has made plenty of space for it!).

Remember!

If buying isn't ownership, then piracy isn't theft! Stay tuned for more!

Victory Is Arrrrr's!
